

Maids Moreton Parish Council Playground Consultation

15 February 2021 to 31 March 2021

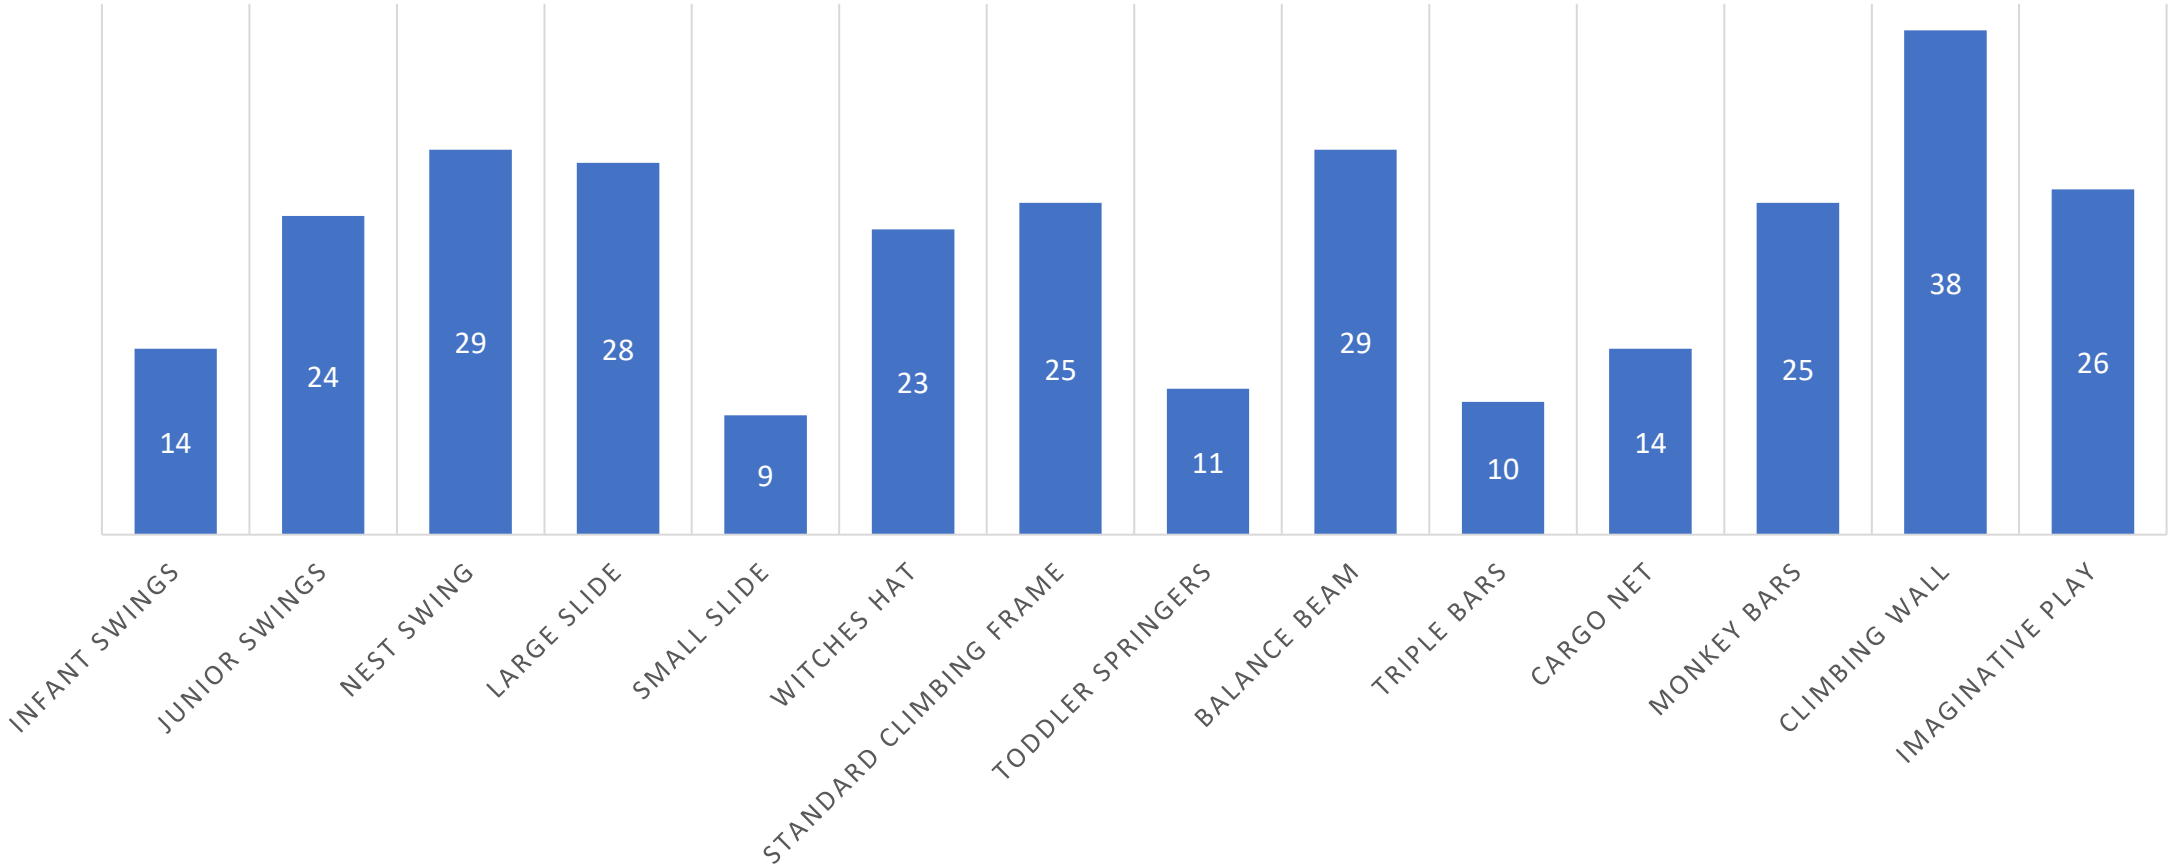

Number of Respondents – 55

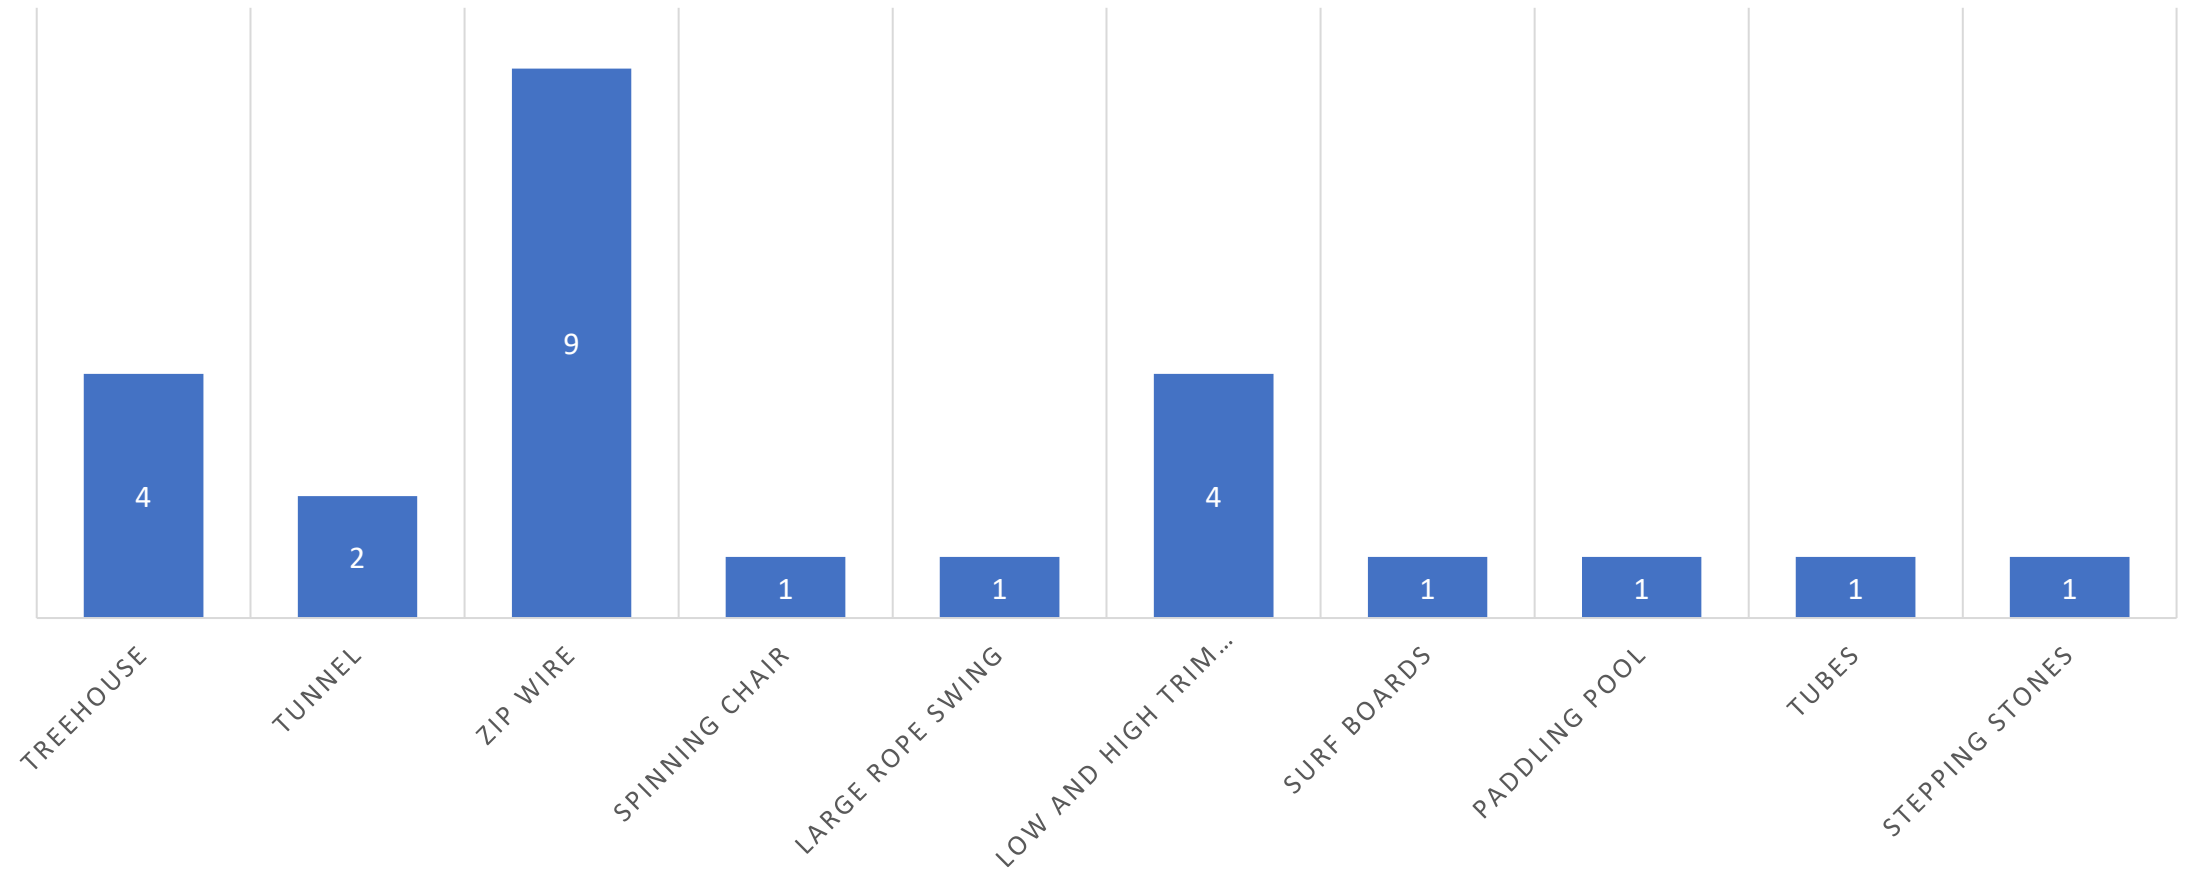

Children Age Ranges

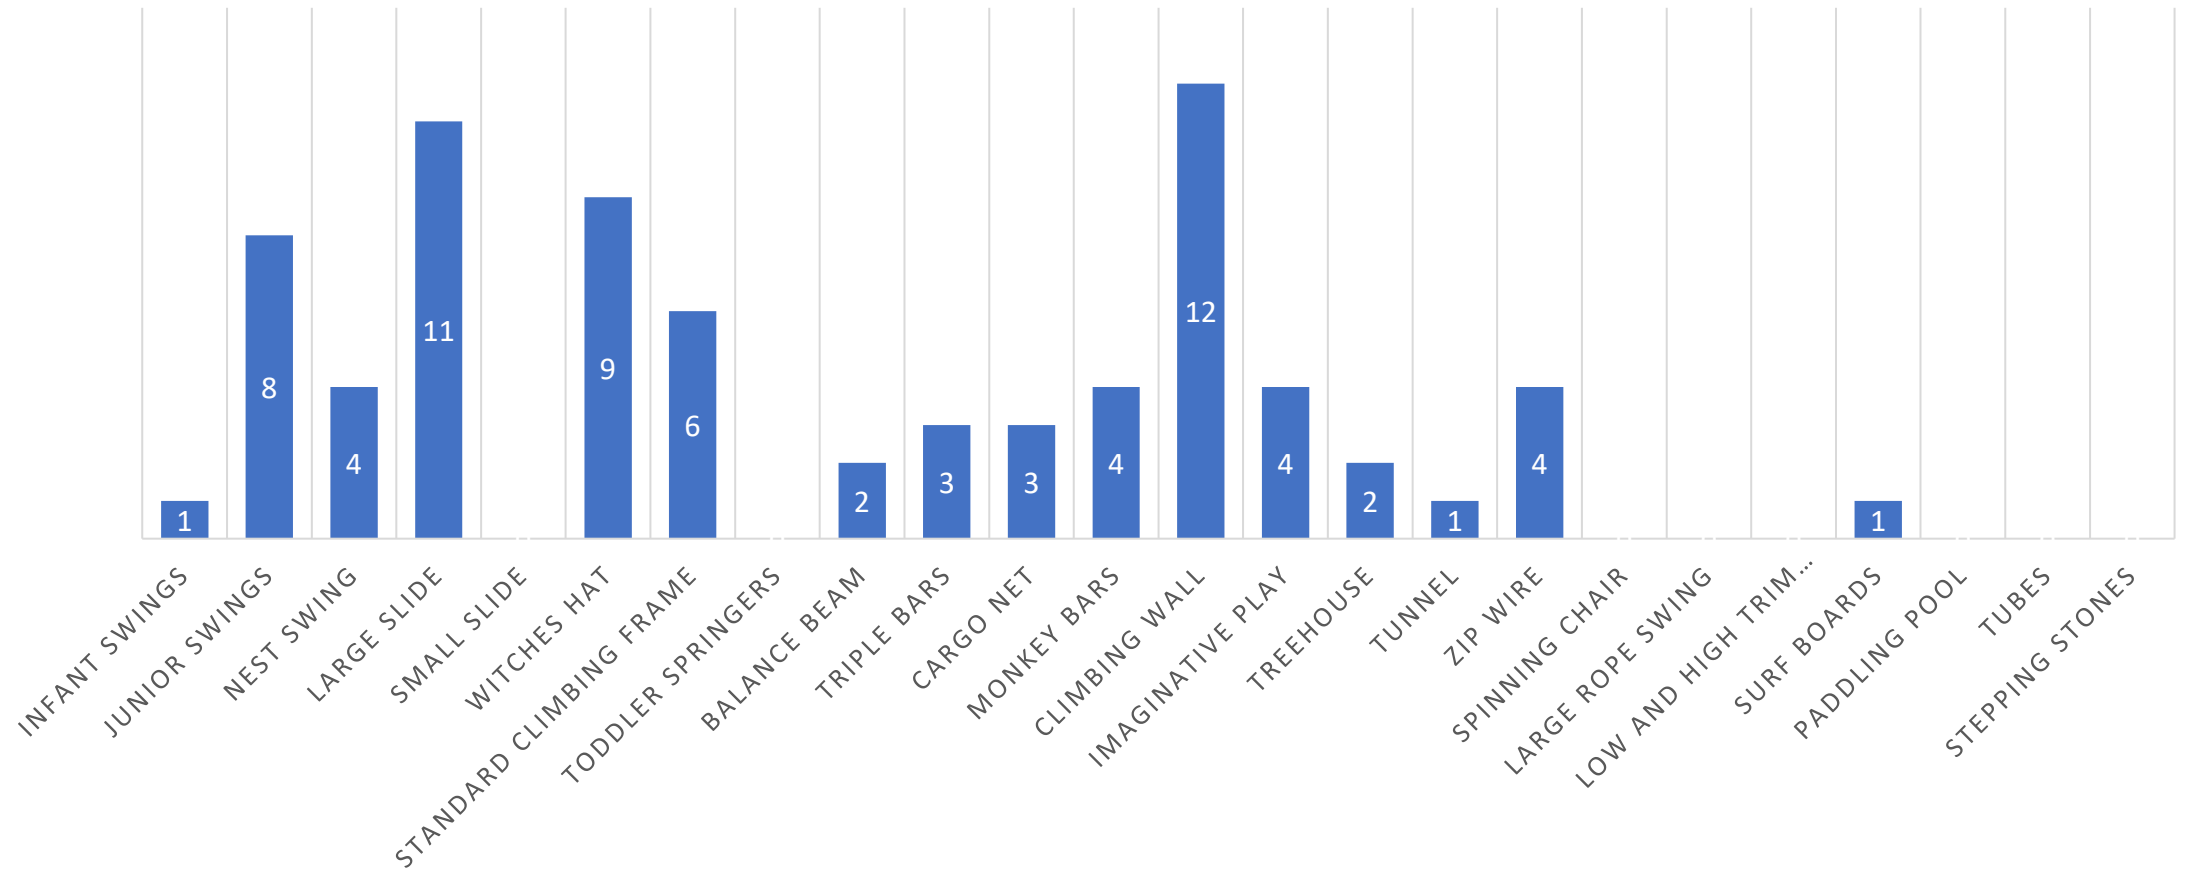

Types of Equipment

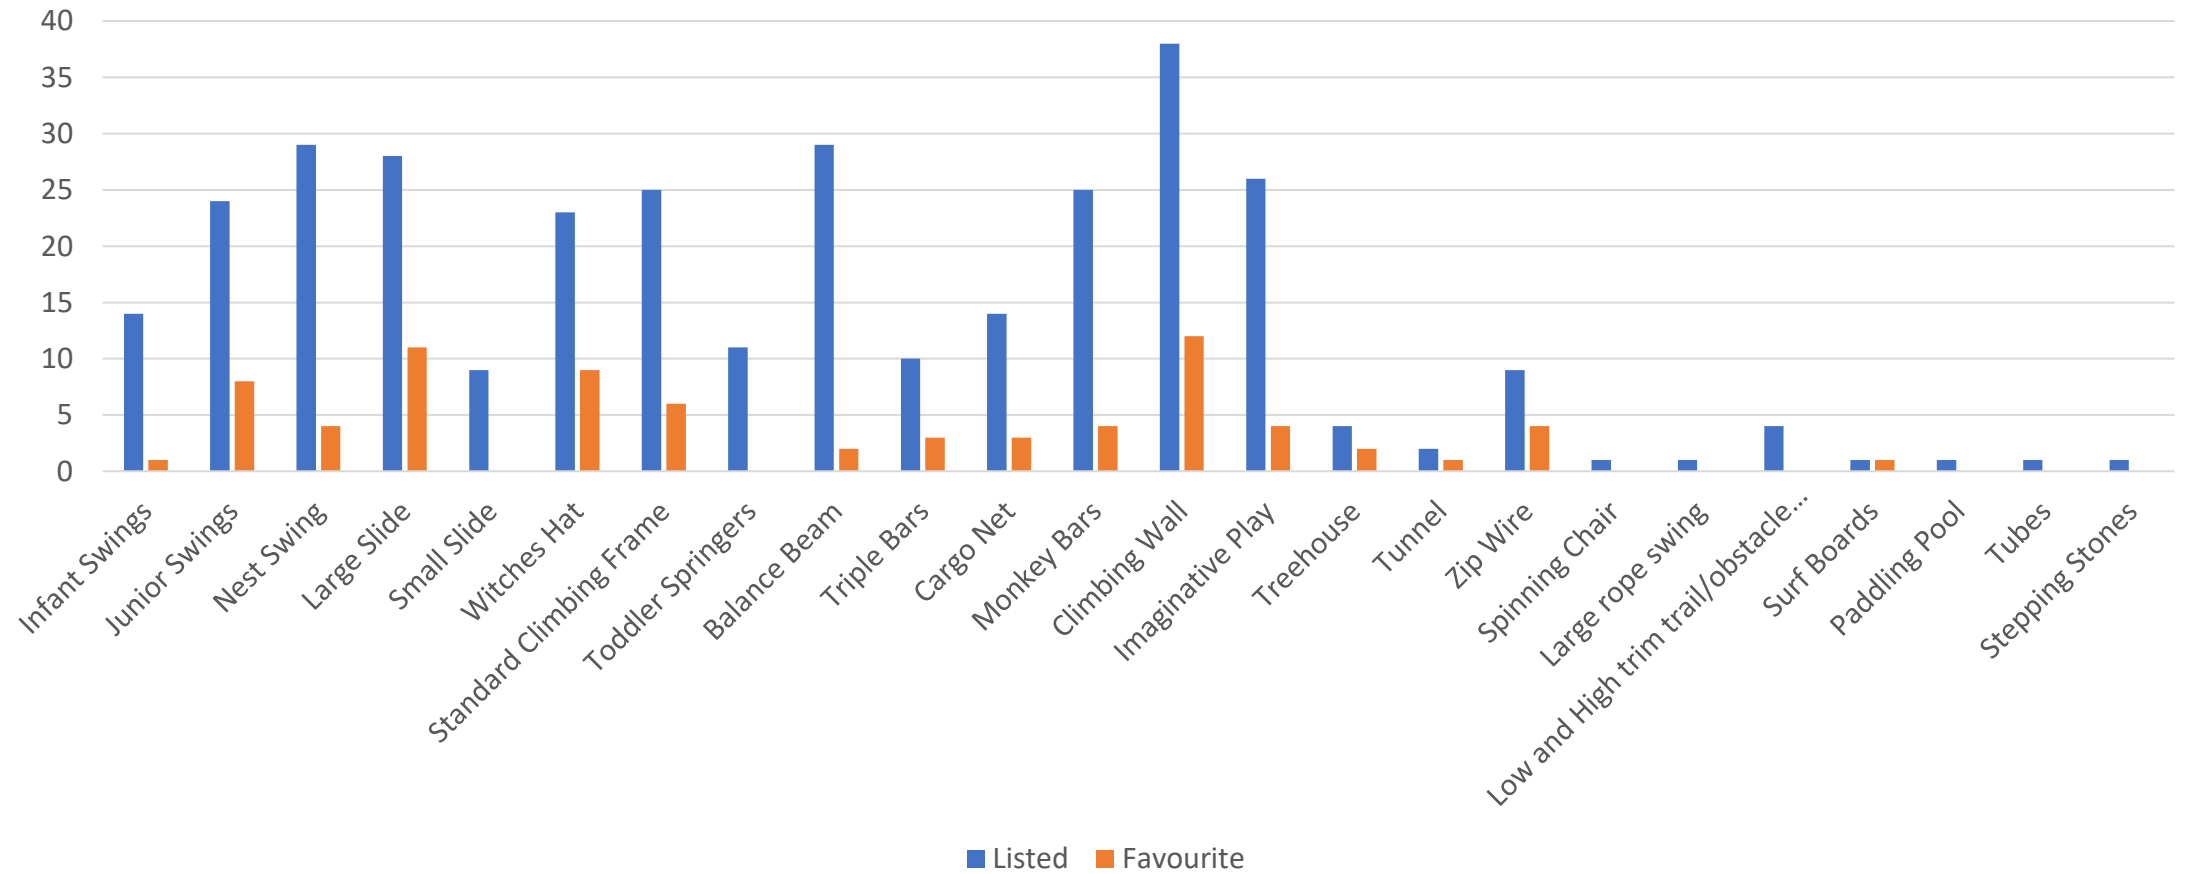

Other Requests

Favourite Items

Listed v Favourite

Other Specific Requests

- More seating for parents.
- More play equipment for toddlers
- More Benches
- Disabled access swing and roundabout
- More benches in shaded areas
- Improved rubberised surrounds to the equipment. Better seats for adults, and more bins
- The basketball area can do with updating.
- Provide shade
- Surely, no matter what equipment you put into the playground, it will be inclusive regardless?
- Seesaw

Other comments

- It's nice that our park is a bit different from some of the other Buckingham parks, many of which are quite same-y. It would also be nice to have some shade in the summer months!
- The children always want to go to the field (in all weathers.) For a large part of the year it is very Muddy and slippery so if budget allows an astro type area/ all weather pitch would be a great asset. Also, is there anything that can be done about the amount of dogs using the area? My son was bitten by a dog there recently and it seems that owners are allowing dogs to foul the field.
- Always concerned that a foot etc may get caught between roundabout and ground
- Accessible play equipment would make a little boy very very happy. Thanks
- Access to public toilets would really help with hygiene around the playing field. If the scout hut facilities are upgraded, could they somehow be made accessible to other users?
- Given the play area that exists on the Moreton Road, and given we haven't seen the planning situation finalise for Walnut Drive, I'd suggest we improve the facilities that are there by making them safer, and more appealing rather than just a new piece of kit.
- I think the play area needs more benches for parents and carers to sit on.
- A safe play area is a very good resource for the village.
- To try and use a surface that doesn't get too muddy in the winter
- The size of the play area is limited by the fence at the moment and that should be reviewed too. The playing fields are a huge asset but are dominated by the rugby club at the moment. There could be a reimagining of that space for the benefit of all Maids Moreton kids, not just those that like rugby
- Some of the current equipment needs oiling!
- Please, as part of this work, pull down that hideous wall outside the Scout hut.
- It would be wonderful if the play park could be upgraded. We use it many times after school and at weekends.
